

NYSAMPO SAFETY WORKING GROUP
APRIL 26, 2012
MINUTES

Participating

- A/GFTC - Kate Mance
- BMTS -
- CDTC - Sandy Misiewicz
- ECTC - Jay Schissell, Mike Perry
- GBNRTC - Hector Boggio
- GTC - Robert Torzynski
- HOCTS
- ITCTC
- NYMTC
- OCTC
- PDCTC
- SMTC - Mike Alexander
- UCTC
- NYSDOT - Jackie Berlant
- NYSDMV - Chuck DeWeese
- FHWA -

1. SWG Goal Area Updates

a. 2012-2013 SWG work plan/goals

Reported on Strategic Plan session.

Gayle: additional review; monthly frequency

Schissell: monthly ok?

Misiewicz: no strong opinion; bimonthly would not hurt; may be more robust agendas.

Gayle: priority setting; SM will do

Mance: show active tasks v. update type tasks

Boggio - use spreadsheet to do ranking; find commonalities; tighten focus

b. Data/HSIP

i. DDACTS training

Misiewicz attended; hosted by Albany PD. Connection between crashes and crime; traffic stops a key public safety tool. PDs should look at crime and traffic data w/GIS to target enforcement.

DeWeese - program up for 3 years; this is a common sense strategy to utilize limited resources. Next step is for GTSC to assist with data needs for PDs that do not have in-house capability.

ii. Comprehensive Safety Planning and Monitoring Task Data Analysis Methodology

RSG waiting for NY examples.

c. MPO Safety Planning Peer Exchange Subcommittee: Safety Scan

Torzynski reviewed.

Would like members/partners to give short presentations on the calls, every other month. Innovative activity within MPO or local governments, or other partners.

d. Human Behaviors Subcommittee

i. Complete Streets Fact Sheet

Gayle reported that the fact sheet is complete and has been posted on the NYSAMPO website

Website report

May 3 - NYSATSB meeting; presentation joint with NYSCOP on podcasts

e. Training/SWG meetings

From agenda.

AMPO safety session likely to be combined with another proposal.

NYS Highway Safety - submitted sessions on podcasts

Should we do a Safety roundtable in 2012 / 13?

2. Other Updates

a. GTSC - DeWeese: \$20K from Ford for Teen Safety events received; asking HS advisors to do seat belt events; GTSC will provide iTunes gift cards. Grand prize can win MacBook if they respond to what they like about presentations.

b. NYSDOT - Berlant: no report

c. NYSP - recurring TraCS reports

Next SWG teleconference: [ITE conflict
